Letter No Ac. 22-8/49-50. Dy 24.7.49 from the Private Secretary to His Highness the Maharaja recommending, as a special case, the grant of the maximum of the grade pay to B. Naiya Peon, Private Secretary's Office, with effect from 5.8.49.

The peon in question was transferred from the Palace Office to the Private Secretary's Office on Rs. 18/- in grade Rs. 18-½-22 with effect from 5.8.48. It is not known what he was getting in the Palace Office at the time of transfer and how his prospects now compare

A with those he would have had if he had continued in the Palace Office.

2. The proposal is to raise his pay from Rs. 18/- to Rs. 22/-, the maximum of the grade pay in which he is placed, with effect from 5.8.49. The peon completes one year of service in grade Rs. 18-½-22 on the latter date and would be entitled to an increment of half a rupee raising his pay to Rs. 18-8-0 with effect from that date. The Private Secretary's proposal, if accepted, would mean the grant of seven advance increments to the peon, and not merely three increments as stated in the Private Secretary's letter as the peon, not being borne on the Government establishment is not entitled to the benefit of any increments sanctioned to Govt. servants in the G.O. dated 14.10.47 referred to in the Private Secretary's letter. All that is admissible as per rules is the

annual increment falling due on 5.8.49.

3. The Private Secretary to His Highness has stated that the Peon's good work calls for some recognition and special treatment, and has recommended that as a special case, his pay may be raised to the maximum of his grade pay viz. Rs. 22/-.

4 The recommendation is outside the rules and will have to be treated as a special case.

Good Certificates are obtained
by several peons + daftaris but this
cannot be a ground for giving them
seven (or four) advance increments.
This would lead to shoals of other
cases hereafter. He was getting
Rs 15/ when he was transferred from
the Palace office on 5-8-48.
He is not entitled to any
weightage and there are no
special reasons to step up
the pay

From

To

The Chief Secretary
to the Government of Mysore, BANGALORE.

Sir,

I have the honour to state that B. Nanja, Peon, Private Secretary's Office, was taken to my establishment on transfer from the Palace Office, with effect from 5-8-1948 on Rs.18/- in grade Rs.18-½-22. On 1-1-1947, he had put in a total service of 16 years, so that as per G.O.No. Fl. 2682-2741/S & A.25-47-20, dated 14-10-1947, he would have become, had he been then borne on the Government establishment, entitled to the benefit of three increments equivalent to Rs.1-8-0 for such service, plus an advance increment of Rs-0-8-0, as per above G.O. aggregating this to Rs.2/-. Besides, as he will be completing a year's service on Rs.18/- on 4-8-1949 he will become entitled to an increment as from 5-8-1949, raising his present pay to Rs.18-8-0. He is a willing and hard-worker giving me every satisfaction in the discharge of his duties. In view of this and of his past good work for over a period of 18 years, his case calls for some recognition and special treatment which would serve as an incentive for his future usefulness as a loyal servant of this office. I accordingly recommend that he may be given with effect from 5-8-1949 the maximum of his grade pay viz., Rs.22/- which would mean only three increments, excluding the benefit of Rs.2-0-0 as per the aforesaid G.O. dated 14-10-1947 and the usual increment that falls due as from 5-8-1949. I request early orders of Government on my recommendation. as a special case.

Yours faithfully,

Private Secretary
to H.H. the Maharaja of Mysore.

Re: Increased pay to B.Nanjappa, Peon, Private Secretary's Office.

With reference to your letter No.1115/CB.. dated the 2nd instant, on the above subject, I have the honour to state that the menial in question was drawing a pay of Rs18/- p.m. in the Palace Office at the time of his transfer to this office. It is not possible to say how his prospects now compare with those he would have had if he had continued in the Palace office inasmuch as the pay and prospects in the Palace Office considerably differ from those obtaining in the Government Offices as they are always fixed with reference to the nature of work, responsibility attached thereto, needs of the Departments, etc. Further, the prospects of incumbents in the service of the Palace depend also on the gracious pleasure of His Highness the Maharaja
